Inclusive Access Syllabus Statement

Inclusive Access:

Textbook: The textbook and resources for this course are available in digital form through the Inclusive Access textbook program at South Plains College. That means the e-book edition of the textbook and/or all required resources are provided in the Blackboard portion of the course from the first day of class. The fee for the e-book/resources is included in the student tuition/fee payment, so there is no textbook or access card to purchase for this course.

E-book features: Access to a cloud-based e-reader is provided by RedShelf via Blackboard. RedShelf e-book features include the ability to hear the text read aloud, highlight, take notes, create flash cards, see word definitions, build study guides, print select pages, and download up to 20% of the book for offline access. Visit <https://solve.redshelf.com/hc/en-us/requests/new> for e-book issues and support.

Upgrading to a physical textbook: Students who prefer a printed textbook rather than an e-book may speak with the professor about how to acquire a physical version of this text.

How to opt out of Inclusive Access: As long as they meet the opt-out deadline, students may choose not to participate in the Inclusive Access program if they have a textbook from another source. They should check the course syllabus to see if the instructor also requires course work to be done in an online platform (like Mindtap or Connect). If so, the student would be required

to have access or purchase access to that platform in addition to acquiring the e-book. To opt out of the Inclusive Access e-book/resources, students will need to locate the RedShelf tool in their Blackboard course and follow the instructions given there. Students who need assistance to opt out should contact their instructor or the SPC Bookstore. The Inclusive Access fee will be refunded after the official census date to students who opt out.

Late Work Policy

Module quizzes, learning activities, vlogs/comments, speech uploads, and peer and self-evaluations are due the date mentioned in the syllabus or in class. Late work will not be accepted. The only exception that will be made will be for extended illnesses or a death in the family. In such instances, you must submit verifiable and official documentation to your instructor (e.g., a doctor's note indicating an extended illness or extenuating circumstance). Technological issues are not an excuse for late work. Do your assignments, quizzes and speeches early to ensure you have time for any issues that might arise.

Late Speeches

If you are given permission to submit a speech late, it is your responsibility to deliver said speech on the date of the final exam. Each student will only be allowed to submit one late speech, and doing so requires the student have been excused from delivery due to a documented emergency.

Attendance Policy:

Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have "Never Attended" by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of "X" or

“F” as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student’s responsibility to be aware of that policy.

It is the student’s responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

Student Code of Conduct Policy

Any successful learning experience requires mutual respect on the part of the student and the instructor. Neither instructor nor student should be subject to others’ behavior that is rude, disruptive, intimidating, aggressive, or demeaning. Student conduct that disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class.

Diversity Statement

In this class, the teacher will establish and support an environment that values and nurtures individual and group difference and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

Disabilities Statement

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office.
