Consulting and Paid Service

Cengage, Faculty Partner, 01/01/2010 - Present

The Faculty Partners' Network is a community of educators from around the country who enthusiastically use Cengage Learning's digital solutions in innovative and effective ways and want to share their experiences.

Faculty Partners can show you a Cengage Learning solution from a teaching and learning perspective, and consult with you about how to use that solution to meet course objectives, learning outcomes or other goals, such as increased student engagement and retention.

Faculty Partners are available by phone, online or onsite at your institution. Talk to your Learning Consultant about enlisting a Faculty Partner to help you achieve your teaching and learning goals!
