TTU Geography Foreign Language Requirement

A student must complete 6 hours at the sophomore level or above in a single language. The prerequisite for all sophomore language courses is credit for the freshman level. This credit can be determined through a credit by examination.

Foreign Language Requirement

Students must meet the foreign language requirement for Texas Tech University (*See the TTU Uniform Graduation Requirements below*). An SPC student, who **has not** had two years of a single foreign language in high school, can take *SPAN1411, SPAN1412, and SPAN2311*. If the student **has** two years of a single foreign language in high school, they can take *SPAN2311*. Applicable Transfer Credit Hours

Evaluation of course credit earned at other institutions by the TTU Transfer Evaluation Office does not decree approval of the credit for use toward degree requirements. Only the academic dean of the college offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. The only exception to this rule is that no transferred course completed with a grade below C- may be applied to fulfill course requirements in majors, minors, or concentrations. Applicants must submit official records from all accredited institutions attended. Official transcripts must be sent directly to the Office of Undergraduate Admissions. All college-level, non-vocational courses completed with a passing grade of D or above at regionally accredited colleges and universities (not including trade or technical schools) will be evaluated for acceptance of transfer credit by the TTU Transfer Evaluation Office. The TTU Transfer Evaluation Office determines acceptable transfer credit on the basis of an evaluation of course content as described from the sending institution's catalog and in consultation with the appropriate academic units at Texas Tech University as necessary for clarification. While all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record, **a maximum of 80 semester credit hours from two-year colleges may be applied toward Texas Tech University degree requirements.** Courses that are accepted for transfer do not necessarily apply toward college, departmental, or program degree requirements.
